Dear Mrs. Manley,

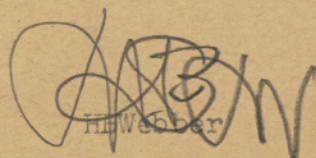

I offer two propositions for the first month--
June 1 to July 1:

- a. \$100 for the period if I can get it in advance,
e.g., today. I am furnishing a house, and that's
the only reason.
- b. \$150 for the month with payment the usual 15th
and 1st.

In both cases I handle all publicity, keep Eagles in
headlines of daily and weekly press, work out interviews, special
pictures, etc. and also keep all score sheets, send matter to
Elias, etc. Also includes keeping advance matter on the road
when Eagles are on the road, keeping scrapbooks up, etc.

The \$150 a month would carry over for succeeding months
of the season. No matter how the amount is paid I would retain
Pitts or someone else to aid on home games.

Can I see you this A.M. on the above? Also is there
any way to arrange for a photo of Big Train before Eagles leave?
He need only a shirt top and cap on.

A. B. W.
